(54) Title: GAME FOR PLAYING AND READING MUSICAL NOTATION

(57) Abstract: A video game system comprising a standard drum set having at least one drum set component (30). An electrical pick-up is attached to each component. A game grid (12) is displayed on a display monitor and is electrically responsive to the electrical pick-up. The game grid being similar to a musical staff with objects, which are moving along the musical staff, that will change appearance when the drum set component is struck at an appropriate moment.
